Maruti Suzuki India Limited reserves the right to change, without notice, price, colours, equipment specifications, and models and also to discontinue models and/or replace any part or accessory with any product. Accessory and feature shown in the pictures may not be a part of standard equipment and will differ according to the variant. Any offers made will be subject to availability of the product. For details,on functioning of safety features, including air bag, kindly refer to the Owner's Manual. For more details, contact your nearest store. **Spare wheel material is steel (for all variants). *VDA Method.

"Android Auto" extends the Android platform into the car in a way that's purpose-built for driving. It is designed to minimise distraction so you can focus on driving with Google™ services like Google Maps™ and Google Search™. Get the Android Auto app on Google Play™. *Android Auto is available in the countries listed at the following link: <https://www.android.com/auto/#hit-the-road>. *Most phones with Android 5.0+ work with Android Auto: <https://support.google.com/androidauto/#6140477>. *Android, Android Auto, Google, Google Play and other marks are trademarks of Google Inc. Image used are for illustration purposes only. **The speed alert system gives audible warning for alert of over-speed to driver. When vehicle speed exceeds about 80 km/h, primary level warning with two beeps will sound every minute. When the vehicle speed exceeds about 120 km/h, secondary level warning with continuous beeps will sound. If the vehicle speed is slowed down to about 118 km/h, primary warning will resume. If the vehicle is slowed down to about 78 km/h, speed alert warning will stop. This buzzer does not indicate any malfunction in vehicle. **For details on functioning of safety features, including air bag, kindly refer to the Owner's Manual. **Terms and Conditions apply.
